Three Killed by Dynamite.

St. Peter, Minn., July 10.—At the Lake Oshawa creamery three men have lost their lives by an explosion of dynamite. Malcolm and Archie MacDonald, well diggers and brothers, and Fred Relpke, manager of the creamery, were cleaning out a well 300 feet deep. A screen at the bottom was struck and the only way to remove it was by exploding dynamite. The dynamite was lowered only a few feet when the explosion occurred, instantly killing Relpke and injuring the two MacDonalds so that they died two hours later.

Delehanthy's Body Found?

Niagara Falls, N. Y., July 10.—A body believed to be that of Edward Delehanthy, the right fielder of the Washington baseball team of the American league, who fell from the International bridge last Thursday night, has been taken from the river at the lower Niagara gorge. Relatives of Delehanthy have been notified. The body of a woman thirty-five years old was also recovered at Lewiston. It has not been identified.

Relief for This Malady Discovered by Medical Science—Breathe Hyomei.

Among the important additions made to medical science in recent years, none is more notable than the positive announcement of a cure for hay fever.

While this disease is not regarded as fatal, it is certainly a most distressing malady, and if anything can be devised to cure it, a great boon will be conferred upon the human race.

Exhaustive experiments with Hyomei prove that this treatment will prevent all attacks of hay fever if used two or three weeks before the annual appearance of the disease and that it may be relied upon, if used faithfully after the disease has begun, to relieve at once and afford a speedy cure.

Rickert & Wells have sold hundreds of Hyomei outfits for the treatment of diseases of the respiratory organs under the agreement to refund the money if Hyomei did not afford relief.

In selling Hyomei for the cure of hay fever, Rickert & Wells will continue this equitable plan, and want all who are subject to this distressing malady to begin its use at once, with the understanding that if it does not give satisfaction, the purchase price is to be refunded.

Stomach dosing cannot cure hay fever. A change of climate is the only treatment that has heretofore aborted an attack, and Hyomei, which is breathed through a neat pocket inhaler coming with every outfit, acts upon this principle, giving in your own home a climate like that of the White Mountains or other health resorts.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain lacks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
